CHIEF SCOUT

Dr Tony Tan Keng Yam
President of the Republic of Singapore

The Singapore Scout Association

The Singapore Scout Association, formerly known as the Boy Scouts Association was constituted under the powers granted by the Royal Charter issued under the hand of King George V dated 4th January 1912, and the Boy Scouts Association act (Cap 26 Singapore Statue, 1985 Revised Edition) having the force of law in Singapore. It is registered (No. 0196) as a charity under the Charities Act, 1982 with effect from 29th June 1985. Singapore Scout Association is also an Institution of Public Character (IPC 000407) with effect from August 2010.

The Mission of Scouting

The mission of Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law, to help build a better world where people are self-fulfilled as individuals and play a constructive role in society.

The Scout Promise

On my honour I promise that I will do my best
To do my duty to God and the Republic of Singapore
To help other people and
To keep the Scout Law

The Scout Law

A Scout is to be trusted
A Scout is loyal
A Scout makes friends, establishes and maintains
harmonious relations
A Scout is disciplined and considerate
A Scout has courage in all difficulties

“Be Prepared” – The Scout Motto

***“Be Prepared...
the meaning of the motto
is that a scout must
prepare himself by
previous thinking out and
practicing how to act on
any accident or emergency
so that he is never taken
by surprise.”***

Mr Tan Tee How

President

The Singapore Scout Association

Singapore Scouting has had another active year in 2013-14, as we seek to develop our young into responsible and committed individuals and good citizens.

Amongst the many notable developments for the year, I am especially proud of the following:

- Against declining membership experienced by other uniformed groups for youths, we continued to maintain our number above the 10,000 mark. Our push for scouting in the community has contributed to our membership. A good example is the sea unit started at Seletar Country Club by Tan Hua Chiow and four other volunteer leaders. Now in its 2nd year, the Seletar Lapwing unit has attracted about 20 members who come together regularly for sailing, canoeing, life-saving and camping activities.
- Among the many camps held during the year was Camp Possible, which saw our scouts learning and playing alongside special needs youths. Supported by the National Council of Social Services, Singapore Kindness Movement and Fairprice Foundation, Camp Possible was attended by 550 participants of various ages, much to the satisfaction of Chief Commissioner Tan Cheng Kiong who had mooted the idea to promote inclusiveness and integration.
- Our sea and air scouting programmes received big boosts following our new partnerships with the Maritime and Port Authority and Civil Aviation Authority of Singapore respectively. These partnerships form part of our effort to enrich our youth programmes so as to make them more relevant to the needs of our young today. In the same vein, Singapore Scouting hosted 167 scouts around the world at the first-ever World Airboree, held in conjunction with the Singapore Airshow. A brainchild of Asst Chief Commissioner Desmond Chong, the event introduced our young to developments in modern aviation and increased their understanding of this important field.
- Through the effort of Henry Baey and his hardworking fund raising committee, the coffers of the Singapore Scout Foundation was boosted by an additional \$306,800. The money was used to support the employment of two unit development consultants, and funding for 6 scouts from less-privileged backgrounds to attend overseas jamborees.

As the above highlighted developments clearly reflect, Singapore Scouting's continued success and growth can be attributed to two key factors - the strong community support for our holistic approach to developing our young; and the dedication and sacrifice of our volunteer leaders, who made scouting fun, exciting and relevant for their younger charges.

To both our community partners and volunteer leaders, I thank you for your faith and commitment. My heartfelt gratitude also goes to Chief Scout President Tony Tan, the Government, sponsoring authorities, parents and other stakeholders for their strong patronage and support. Finally, I am indebted to my fellow members in the Scout Council for their dedication and friendship.

Chief Commissioner's Message

Mr Tan Cheng Kiong

Chief Commissioner

The Singapore Scout Association

Dear Fellow Scouts,

2013 saw the commencement of a major review of our programme. Our key programme drivers in the review include the 21 Century Skills; Facilitation Skill and Intergenerational Bonding Skill.

There are now 11 schools which have come on board the pilot run in 2014. A total of 6 workshops have been planned for scout leaders particularly those from the schools taking part in the pilot project. The team under the leadership of newly appointed National Programme Commissioner Eric Lam will further refine the review based on valuable feedbacks and constructive comments of workshop participants who have been encouraged to be forthcoming with their responses.

The leadership renewal process has been progressing smoothly in the same year. In early 2014, as part of the overall renewal process, suitable and dynamic young Commissioners have been promoted to helm many key appointments and decision-making bodies such as Scout Council Sub Committees.

We have also restructured our Areas to engage senior leaders as Unit Development Leaders (UDLs) to visit and mentor new units and leaders. This group of volunteers will supplement and work closely with full-time Unit Development Consultants (UDCs) to deliver greater support to our ground leaders, thereby bringing better scouting to more young people.

The eventful year was also marked by two major camps organised back to back of each other during the last two months of the year. The first-of-its-kind Camp Possible (16 Nov-20 Nov) saw the participation of some 35 Primary Schools involving more than 550 participants including those with special needs. This was followed closely by National Patrol Camp (28 Nov -2 December). About 49 secondary schools sent some 53 scout groups which took part in the biennial national event. A total of 575 participants (including 150 VALs) contributed collectively with fine scouting knowledge and skills, securing a thumping success for the camp.

On the partnership front, SSA actively supported the "Do Good Campaign", a year-long initiative by NTUC Foundation. About 23 Secondary Schools involving more than 600 students were in the forefront of the campaign, playing many leading roles to bring the campaign to fruition. The feedback from our participants indicated strongly that they thoroughly enjoyed their roles. After all, the emphasis of the campaign is in line with the scouting tradition "a good deed a day" which is also consistent with MOE's recent thrust on values in action. It is also an integral attribute of 'neighbourliness', which is a critical aspect of Total Defence.

Besides NTUC Foundation, we had inked MOUs with the following partners:-

- 1) National Youth Achievement Award Council
- 2) Civil Aviation Authority of Singapore

In early 2014, we signed up another partner namely Maritime Port Authority (MPA) with its affiliate Singapore Maritime Foundation (SMF) in the funding and running of sea-related programme beyond the traditional domain. National Youth Council (NYC) had also expressed their keenness to partner SSA in the newly announced initiative, the Singapore Youth Corps (SYC).

SSA is thus poised to embark on innovative and fresh programmes in order to remain relevant to the youths of the day. Where applicable, we will work with partners who identify with and share our commitment to the worthy cause. Above all, the partners should be generously forthcoming with funds to augment our scarce resources for running the programmes.

With the strong support from MOE, SSA can now better position itself as a leading UG and a vibrant and relevant youth movement.

I am confident that SSA can continue to count on our Commissioners, Council Members and Adult Leaders to work smarter and harder. As a team, we can rise to the occasion and bring SSA to greater heights. I urge you to join me wholeheartedly in this worthy adventure.

Camp Possible: Singapore Cuboree 2013

(16th November – 20th November at Sarimbun Camp)

Co-chaired by Asst Chief Commissioner Desmond Chong and Cub Scout Programme Commissioner Clarence Hoe, Camp Possible: the inaugural Singapore Cuboree 2013 was organised to educate and integrate our youth members with children with special needs. Through the camp, our Cub Scouts had the opportunity to learn more about special education and to interact with children with special needs children. The camp also provided opportunities for children with special needs to take part in various activities meant to raise their self-esteem and allowed them to participate alongside their able-bodied counterparts. This camp truly made it a “possible” experience for all participants.

Inter-generational integration was also featured in the camp with the Seniors-in -Scouting supporting the open house and campfire event.

Community integration formed a core part of the programme, with the National Council of Social Services (NCSS), the Singapore Kindness Movement (SKM) and the FairPrice Foundation as strategic partners, which strongly supported SSA in this values-based educational experience.

National Programme Council - Air Scout Executive Committee

With the strong support from the Civil Aviation Authority of Singapore and our industrial partners, 2013 had been a fruitful year for the air wing.

Overseas Training Programme

In June 2013, the second batch of Air Scouts successfully completed the Airborne static training at the Royal Thai Air Force training facility during their overseas training programme and were awarded prestigious Royal Thai Air Force Honorary Airborne Wing.

Community Outreach

World Vision Development Project at Huay Kwang Thailand, where air scouts spent a morning carrying out different activities with the students of a sponsored school. Air Scouts also donated stationary items to the school.

Back home, air scouts played an active role and championed the NTUC's Do Good Initiative campaign that encourages youth to make a positive difference in society.

Programmes & Events

Aviation Outreach

Through the flagship Young Aviator's Badge Programme, the air wing had educated 576 cub scouts the basics of aviation, ranging from the history and principles of flight to airport operations.

Investiture 2013

In 2013, we welcomed 20 new members, increasing the presence of air scouts in SSA to a total of about 85.

National Programme Council - Sea Scout Executive Committee

There are 11 Sea Scout Units in Singapore, including an open Unit at the National Sailing Centre and another open Unit focussing on Cub Scouts at the Seletar Country Club.

2013 also saw the establishment of a second Sea Scout Base at Watercross Pasir Ris focussing on kayaking activities, in addition to the Sea Scout Base at the National Sailing Centre which emphasises sailing.

The Sea Scout Section also partnered with the Maritime & Ports Authority to launch a new series of Young Mariner Badges to rekindle the interest in Singapore's pole position as a maritime and shipping hub. A pilot run for the Badge was conducted in April 2013 with a total of 36 Scouts from four secondary schools. This was followed by a pilot run for Cub Scouts in October 2013, where 133 Cub Scouts from four primary schools successfully completed the badge requirements.

FairPrice Foundation's "Do Good" Campaign 2013 Inter-School Challenge

(24th August at SSA)

The "Do Good" initiative aims to encourage youths to perform simple acts of good deeds, and to share the joy of giving with their family and friends. By taking the initial steps towards doing good, it is hoped that they can be the catalysts to friends, family members and the broader community to do the same.

The campaign theme for the year (2013) entitled "Small Deeds Big Differences," reminds us that the collective strength of good deeds, no matter how small, can make a real difference to someone's day.

Scouts of the World Award, Discovery Workshop 2013

(29th to 31st March at the National Community Leadership Institute)

Under the leadership of Workshop Director, Mr Tan Sijie, the 9th Scouts of the World Discovery workshop was held at the National Community Leadership Institute (NACLI). There were a total of 11 local and 6 overseas participants (4 from the Maldives and 2 from Indonesia).

Developed as part of Scouting contribution towards meeting the United Nations' Millennium Development Goals, the Scouts of the World Award (SWA) programme is an initiative to provide young people with more opportunities to face the challenges of the future. It aims to empower and engage youths to take action of world importance based on universal values of freedom, tolerance, equality, respect for nature, and shared responsibility – criteria identified by the Millennium Declaration unanimously adopted by 189 member countries of the United Nations in 2000. There are three core themes for the SWA – peace, environment, and development.

Ground Up Initiative (GUI)

National Events

As part of the workshop, participants were hosted by Ground Up Initiative (GUI), a volunteer-driven, non-profit community at Bottle Tree Park. At one of the field trips, the participants joined local residents to carry out urban farming, learning more about local plants and farm crops. GUI also shared with the participants on topics related to garbage/food enzymes, and introduced them to a liquid made from garbage or food waste such as fruit peels, which can be used in place of the usual cleaning detergent/fertilizer.

As part of another field trip, participants were given the opportunity to carry out food distribution for the old and poor. They were exposed to the different types of housing and buildings in the local community, and were given a chance to observe and compare the different and contrasting lifestyles and profiles of the people, business community and the community at large.

The Discovery Workshop aims to expose young people to the global issues that our Earth and Country are facing – to Explore, Respond and Take Action. Besides raising awareness of our rich natural heritage and community, the workshop also seeks to equip the youth with development, facilitation and planning skills in preparation for the next phase – the Voluntary Service project.

During the closing ceremony of the workshop, a number of Rover Scouts received their Scouts of the World Award from Mr Malcolm BH Tan, the National Programme Commissioner of the Singapore Scout Association (SSA).

National Patrol Camp 2013

(23rd, 28th November – 2nd December at Sarimbun Camp)

Often referred to in Singapore Scouting as the "Mother of All Competitions", the National Patrol Camp (NPC) 2013 gathered participating Units to challenge themselves and each other in a series of Scouting skills, striving for the coveted "Chief Commissioner's Challenge Shield" and to be conferred the title of the "Best Singapore Scout Patrol". Merit Awards of Bronze, Silver and Gold were also presented to deserving teams at the end of the competition.

53 teams of 8 scouts participated. The Camp Chief, Mr Justin Ng led a team of 151 camp staff and worked round the clock throughout the camp to ensure the safety and camping standard of the campers and participants.

Seniors In Scouting

Members of SIS posing with Mr. Foo Seck Tong (a King Scout), the volunteer instructor who has been with the SIS since its inception in 2006.

2013 heralded a new team of management committee led by Dr Joshua Wong as Chairman and Mr Peter Chan (Secretary). The committee met quarterly to map out strategies to sustain the interest of the SIS members and work out programmes aimed at promoting active ageing, life-long learning and senior volunteerism.

Key life-long learning courses conducted in 2013 were:

- a) A home-based Business Online and Offline was conducted by Mr Bruce Seah, a network marketing consultant who is an international speaker and trainer on 11 and 18 July. Participants learnt about basic internet marketing and importantly how to earn an income through running a home-based business.
- b) Lashing and Camp Craft Model Workshop was conducted by Mr Foo Seck Tong over several Saturdays in March.

As for Active Ageing Activities, they were organised as follows:

SIS members gathered regularly on every Wednesday for Ukulele practices and line-dance. The SIS Ukulele Band, led by Mr Roney Tan, performed at the following functions:

- i) Trefoil Guild Campfire at Singapore Girls Guide on 8 Nov 2013
- ii) Police Grassroots Appreciation Nite held at Bedok Town Sec School on 20 Dec 2013.

Mr Roney Tan had also spearheaded the ukulele training of some 20 scout cubs and he was ably assisted by Mrs Kathleen Tan, Mrs Lilian Quek and Ms Amy Tan.

In addition, Mr Cheng Sai is helping out with the Colougo Scout Group and Mr M. Francis is helping out at the Yishun Primary Cub Scout Unit and Naval Base Open Group.

Frank Cooper Sands Award

The Frank Cooper Sands Award is awarded annually to Scout Units for Unit excellence. The assessment for the award centres on Unit administration, Unit participation, Training and Development, International participation, Unit finances and Unit Initiatives.

Besides supporting the Scout Council, Commissioners Council and Volunteer leaders in their roles, staff had been instrumental in improving HQ facilities. The following had been successfully achieved to better serve our members:

- Enhanced the computerized membership service data management system (MSDS) by creating the online registration for programme courses and Mass upload of members. This cut down manual work, drastically.
- Enhanced the physical surrounding landscape of the HQ
- Enhanced the security by upgrading the CCTV system to cover more areas.
- The Code of Conduct policy was implemented requiring all leaders, commissioners to make a formal declaration to abide by the desired conduct..

Policy relating to the management and avoidance of conflicts of interest

As an institution of a public character (IPC), the following policy has been incorporated in the Association's POR, which is on our website.

- All council members, volunteers and staff shall avoid situations where personal interest or the interest of the family is in conflict with the interest of the Singapore Scout Association (SSA) or where it could affect the ability to make decisions that are in the best interest of SSA.
- They should declare their interest to the Scout Council if they are considering entering into a business dealing with SSA.
- In such case, they shall abstain from discussion and not be part of the decision making process on such dealing.
- They should not either directly or indirectly make use of any SSA information or his position to further their personal interest.
- The Audited Financial Statement of Account and the Annual Report are posted on our website.

INDEPENDENT AUDITORS' REPORT
to the members of
THE SINGAPORE SCOUT ASSOCIATION

Report on the Financial Statements

We have audited the accompanying financial statements of The Singapore Scout Association ("Association") which comprise the statement of financial position as at 31 December 2013, and the statement of financial activities and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Scout Council's Responsibility for the Financial Statements

The Association's Council is responsible for the preparation of financial statements that give a true and fair view in accordance with the Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair statement of financial activities and statement of financial position and to maintain accountability of assets.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT

to the members of

THE SINGAPORE SCOUT ASSOCIATION

Report on the Financial Statements (continued)

Opinion

In our opinion, the financial statements are properly drawn up in accordance with the Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Association as at 31 December 2013 and of the results of its activities and cash flows of the Association for the financial year then ended on that date.

Report on Other Legal and Regulatory Requirements

In our opinion:

- a) the fund-raising appeals listed below conducted by the Association during the financial year, have been carried out in accordance with the Charities Act (Cap 37) and Income Tax Act (Cap 134) and proper accounting and other records have been kept of the fund-raising appeals:-

<u>Name of fund-raising project</u>	<u>Period of fund-raising</u>
Job Week	16 March 2013 to 22 March 2013
Donation Draw	1 June 2013 to 7 September 2013

- b) the accounting and other records required by the regulations enacted under the Charities Act (Cap 37) and Boy Scouts Association Act (Cap 26) to be kept by the Association have been properly kept in accordance with these regulations.
- c) nothing has come to our attention to cause us to believe that:
- (i) the funds were not used in accordance with the objects of the Association; and
 - (ii) the fund raising expenses have exceeded 30% of the total gross receipts from fund raising held during the periods as stated in paragraph (a) above.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. General information

The Association (Unique Entity No. S85CC0196D) was registered on 4 January 1912 under the powers granted by the Royal Charter issued under the hand of King George V and Boys Scout Association Act (Cap 26, Singapore Statutes, 1985 Revised edition).

The Association is registered as a Charity under the Charities Act (Cap 37) and has been granted an Institution of Public Character (IPC) status up to 31 August 2016 by its Sector Administrator, the Ministry of Education.

The objects of the Association are to develop good citizenship among young people by forming their character, training them in habits of observation, obedience and self-reliance, inculcating loyalty and thoughtfulness for others, teaching them services useful to the public and skills useful to themselves and promoting their physical, mental and spiritual development.

The Association is domiciled and registered in Singapore. The registered address and principal place of activities of the Association are situated at 1 Bishan Street 12, Singapore 579808.

2. Summary of significant accounting policies

2.1 Basis of accounting

The financial statements are prepared in accordance with the historical cost convention, except as disclosed in the accounting policies, and the provisions of Singapore Financial Reporting Standards (“FRS”).

The Association has not applied any new or revised FRS or interpretations that have been issued as of the date of the statement of financial position but are not yet effective. The initial application of these standards and interpretations are not expected to have any material impact on the Association’s financial statements. The Association has not considered the impact of the accounting standards issued after the date of the statement of financial position.

2.2 Financial assets

Financial assets within the scope of FRS 39 (“FRS 39”) are classified as either financial assets at fair value through profit or loss, loans and receivables or available-for-sale financial assets, as appropriate. Financial assets are recognised on the statement of financial position when, and only when, the Association becomes a party to the contractual provisions of the financial instrument.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

2. Summary of significant accounting policies (continued)

2.2 Financial assets (continued)

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs. The Association determines the classification of its financial assets after initial recognition and, where allowed and appropriate, re-evaluates this designation at each financial year end.

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Such assets are carried at amortised cost using the effective interest method. Gains and losses are recognised in the statement of financial activities when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

2.3 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is calculated on the straight line method to write off the cost of the assets over their estimated useful lives. The estimated useful lives are as follows:

HQ building	Leasehold period of 30 years
Sarimbun Camp/Sands Training Institute	Leasehold period of 30 years
Furniture and fittings	5 years
Sundry equipment	5 years
Air-conditioners	5 years
Computers	3 years
Motor vehicles	5 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful lives and depreciation methods are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment. The effect of any changes in estimate is accounted for on a prospective basis.

On disposal of an item of equipment, the difference between the net disposal proceeds and its carrying amount is taken to the statement of financial activities.

Fully depreciated property, plant and equipment are retained in the financial statements until they are no longer in use.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

2. Summary of significant accounting policies (continued)

2.4 Intangible assets

Intangible assets comprising computer software, are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised from the date the assets are available for use. Amortisation is charged to the statement of financial activities using a straight-line method over the assets' useful lives of 3 years.

Fully amortised intangible assets are retained in the financial statements until they are no longer in use.

2.5 Inventories

Inventories comprising goods like uniforms, camping equipment and their related accessories, and souvenir items held for resale are stated at the lower of cost and net realisable value with cost being determined on a first-in, first-out basis. Net realisable value is the estimated selling price in the ordinary course of business, less applicable selling expenses.

2.6 Trade and other receivables

Trade and other receivables are accounted for as loans and receivables under FRS 39. They are recognised and carried at original invoiced amount, which represents their fair value on initial recognition, less allowance for any uncollectible amounts. Allowance for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

Trade receivables are non-interest bearing and are generally granted 30 day terms.

2.7 Impairment

(i) Impairment of non-financial assets

The carrying amounts of the Association's assets are reviewed at each date of the statement of financial position to determine whether there is any objective evidence that a financial asset is impaired. If such indication exists, the assets' recoverable amount is estimated. Where it is not possible to estimate the recoverable amount of an individual asset, the management estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

2. Summary of significant accounting policies (continued)

2.7 Impairment (continued)

(i) Impairment of non-financial assets (continued)

If the recoverable amount of an asset or cash-generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash-generating unit is reduced to its recoverable amount. The impairment loss is recognised immediately in the statement of financial activities unless it reverses a previous revaluation, credited to funds, in which case it will be charged to funds.

Where an impairment loss subsequently reverses, the carrying amount of the asset or cash-generating unit is increased to the revised estimate of its recoverable amount. The increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in the statement of financial activities, unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

(ii) Impairment of financial assets

Assets carried at amortised cost

If there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account and the amount of the loss is recognised in the statement of financial activities.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. Any subsequent reversal of an impairment loss is recognised in the statement of financial activities, to the extent that the carrying value of the asset does not exceed its amortised cost at the reversal date.

2.8 Financial liabilities

Financial liabilities are recognised on the statement of financial position when the Association becomes a party to the contractual provisions of the financial instrument. Financial liabilities are recognised initially at their fair values, plus in the case of financial liabilities other than derivatives, directly attributable transaction costs. Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method, except for derivatives, which are measured at fair value.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

2. Summary of significant accounting policies (continued)

2.8 Financial liabilities (continued)

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

2.9 Trade and other payables

Trade and other payables are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Association and subsequently measured at amortised cost using the effective interest method. Trade payables are normally settled on 30 to 90 day terms.

2.10 Derecognition of financial assets and liabilities

(i) Financial assets

A loan or receivable is derecognised where the contractual rights to receive cash flows from the asset have expired which usually coincides with receipt of payments for the asset. On derecognition, the difference between the carrying amount and the sum of the consideration received is recognised in the statement of financial activities.

(ii) Financial liabilities

Financial liabilities are derecognised when the obligation under the liability is extinguished. Gains and losses are recognised in the statement of financial activities when the liabilities are derecognised as well as through the amortisation process.

2.11 Grants

A grant is recognised at its fair value where there is a reasonable assurance that the grant will be received and the Association will comply with all the attached conditions. Grants relating to costs are deferred and recognised in the statement of financial activities over the period necessary to match them with the costs they are intended to compensate. Grants relating to assets are recognised as deferred capital grants on the statement of financial position and are amortised to the statement of financial activities on a straight line basis over the expected useful life of the relevant assets.

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

2. Summary of significant accounting policies (continued)

2.12 Funds

Funds of the Association comprise mainly the general funds, the building fund, the Scout Foundation Fund and other funds designated for specific objectives (as further described in note 12 to the financial statements).

(i) General Funds

General funds are unrestricted and expendable at the discretion of the Scout Council in furtherance of the Association's objects.

(ii) Building Fund

Designated donations for the renovation/construction of the HQ building, Sarimbun Camp and Sands Training Institute are credited to the Building Fund account. The Building Fund account is amortised to the statement of financial activities to match the depreciation in respect of these buildings and camp.

(iii) Scout Foundation Fund

The Scout Foundation Fund is for projects which support the development of scouting in Singapore, including upgrading of camping and other infrastructure for scouting activities, development of Scout Groups in schools and the community and providing financial support for disadvantaged scouts.

2.13 Income

(i) Donations, membership fees and other income are recognised to the extent that it is probable that the economic benefits will flow to the Association and the income can be reliably measured. These income are measured at fair value of consideration received or receivable.

(ii) Interest income from bank deposits are recognised using the effective interest method.

(iii) Revenue from sale of goods in Scout Shop is measured at the fair value of the consideration received or receivable, net of returns and allowances. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable and the amount of revenue can be measured reliably.

(iv) Rental income is recognised on the straight-line basis over the term of the lease.

2. Summary of significant accounting policies (continued)

2.14 Currency

(i) Functional currency

Items included in the financial statements of the Association are measured using the currency that best reflects the economic substance of the underlying events and circumstances relevant to the Association (“functional currency”). The financial statements of the Association are presented in Singapore dollars, which is also the functional currency of the Association.

(ii) Foreign currency transaction

Transactions in foreign currencies are measured in the functional currency of the Association and are recorded on initial recognition at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the closing rate of exchange ruling at the date of the statement of financial position. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the date of the statement of financial position are recognised in the statement of financial activities.

2.15 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rentals payable under operating leases are charged to the statement of financial activities on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals, if any, arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

2. Summary of significant accounting policies (continued)

2.16 Employee benefits

As required by law, the Association makes contributions to the state pension scheme, the Central Provident Fund (“CPF”). CPF contributions are recognised as an expense in the same period as the employment that gives rise to the contributions.

2.17 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and bank balances. Restricted deposits are excluded from cash and cash equivalents.

2.18 Related parties

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party when making financial or operational decisions. In considering each possible related party relationship, attention is paid to the substance of the relationship, not merely the legal form.

Related parties include the Association’s members, key management personnel, associates and enterprises in which a substantial interest in the voting power is owned, directly or indirectly, by the Association’s members or key management personnel.

12. Other specific funds (continued)

Scout Groups Fund

The Scout Groups Fund is a designated fund of the Association that supports scouting activities of the scout groups registered with the Association. The Fund is set up using donations received that are designated for use by specific scout groups, the share of Donation Draw and Job Week proceeds that each scout group receives and other fund raising activities by the scout groups. As at 31 December 2013, there are 229 (2012 – 230) scout groups registered with the Association.

Dr. Benjamin Henry Sheares Scholarship Fund

The Dr. Benjamin Henry Sheares Scholarship Fund was set up for the purpose of using the income from the fund to provide educational scholarships for needy scouts.

IT Project

The IT project fund is used to fund the repair and upgrading of second hand computers which are then given to needy families in the community.

Scout Discovery Centre

The Scout Discovery Centre fund is used for the maintenance and upkeep of the centre and for the requisition of relevant scouting artifacts as part of the upgrading process.

- within one year	352,073	-
- between two to five years	396,082	-
	<u>748,155</u>	<u>-</u>

The Singapore Scout Association

Notes to the financial statements – 31 December 2013

22. Significant accounting estimates and judgements

The preparation of financial statements, in conformity with FRSs, requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying amounts of assets and liabilities that are not readily apparent from other sources.

22.1 Judgements made in applying accounting policies

The following are the judgements made by management in the process of applying the Association's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

(i) Impairment of property, plant and equipment

The carrying values of property, plant and equipment are reviewed for impairment when there are indications of impairment. As at 31 December 2013, there is no indication of impairment and the carrying value of the Association's property, plant and equipment was S\$1,245,295.

22.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the date of the statement of financial position, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below :-

(i) Useful lives of property, plant and equipment

The cost of property, plant and equipment for the Association's activities is depreciated on a straight line basis over the useful lives of the property, plant and equipment. Management estimates the useful lives of these property, plant and equipment to be within 3 to 30 years. These are common life expectancies applied in the industry. Changes in the expected levels of usage could impact the economic useful lives and the residual value of these assets and accordingly, future depreciation charges could be revised. The carrying values of the Association's property, plant and equipment are as disclosed in note 3.

(ii) Impairment of non-financial assets

The Association assesses whether there are any indicators of impairment for all non-financial assets at each reporting date. Non-financial assets are tested for impairment when there are indicators that the carrying amounts may not be recoverable. When value in use calculations are undertaken, management must estimate the expected future cash flows from the asset or cash-generating unit and choose a suitable discount rate in order to calculate the present value of those cash flows.

22. Significant accounting estimates and judgements (continued)

22.2 Key sources of estimation uncertainty (continued)

(iii) Impairment of receivables

The Association assesses at each date of statement of financial position whether there is any objective evidence that a financial asset is impaired. To determine whether there is objective evidence of impairment, the Association considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments. Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Association's receivables at the date of the statement of financial position is S\$509,814 (2012 – S\$289,602).

23. Financial instruments

23.1 Categories of financial instruments

The following sets out the financial instruments of the Association as at the date of the statement of financial position:-

	2013	2012
	S\$	S\$
Financial assets		
Trade and other receivables	493,466	281,907
Cash and cash equivalents	6,434,092	6,016,268
	<u>6,927,558</u>	<u>6,298,175</u>
Financial liabilities		
Trade and other payables	<u>493,541</u>	<u>463,097</u>

23.2 Risk management policies

The main risks arising from the Association's financial instruments are credit risk, liquidity risk and price risk, primarily changes in foreign exchange rates and interest rates. However, the Association's activities expose it to minimal financial risks and the management monitors and controls its main risks in the following manner:

(i) Credit risk

Financial instruments contain an element of risk in that the counterparties may be unable to meet their obligations. The management minimises this risk by analysing the credibility of its debtors. In addition, it monitors the repayment terms of its debtors on a regular basis.

The Singapore Scout Association

23. Financial instruments (continued)

23.2 Risk management policies (continued)

(ii) Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments.

In the management of liquidity risk, the Association monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Association's activities and mitigate the effects of fluctuation in cash flows. The Scout Council exercises prudent liquidity and cash flow risk management policies and aims at maintaining a high level of liquidity and cash flows at all times.

(iii) Foreign exchange risk

Foreign exchange risk is the risk to earnings and value of financial instruments caused by fluctuation in foreign exchange rates. As the Association's transactions are substantially carried out in Singapore dollars, its exposure to foreign exchange risk is minimal.

Sensitivity analysis

Management has assessed that the exposure to changes in foreign exchange rates is minimal and hence the resulting impact on results of the Association is insignificant.

(iv) Interest rate risk

Interest rate risk relates primarily to the risk that the value of financial instruments will fluctuate as a result of changes to market interest rates. Surplus cash and cash equivalents are placed with established financial institutions at favorable interest rates and terms and conditions available to the Association. The Association's income and operating cash flows are substantially independent of changes in market interest rates. The Association's policy is to have no gearing.

Sensitivity analysis

Management has assessed that the exposure to changes in interest rates is minimal and hence the resulting impact on results of the Association is insignificant.

23.3 Fair values

The management is of the view that the fair values of the financial assets and liabilities as at the date of the statement of financial position approximate their carrying amounts as disclosed in the statement of financial position and in the notes to the financial statements.

24. Authorisation of financial statements

The financial statements of the Association for the financial year ended 31 December 2013 were authorised for issue in accordance with a resolution of the Scout Council on 24 May 2014.
